Introduction

Appendix 3 Structure

This section of the service manual (Appendix) describes the Nokia NHA–2ND handportable telephone for use on the Advanced Mobile Phone System (AMPS). The appendix contains only information specific to the Nokia NHA–2ND variant.

The appendix comprises three chapters as follows: Chapter 1, Foreword (this chapter); Chapter 2, Transceiver NHA–2ND, containing an exploded view of the NHA–2ND variant (including a list of assembly parts); and Chapter 3, Quick Guide, which aims to provide all user information that service personnel are likely to require during servicing and repair of equipment.

NOTE: The Service Manual is intended for use by qualified service personnel only.
